

## Support our Teachers

### Community Giving Grocery Card Order Form

*Reuse, Recycle and Regenerate our classrooms.*

Community giving cards can be loaded and **recycled** many times. Simply add the money for all your purchases to the community giving card and spend it. It's easy and costs you **only** a minute of your time, yet provides thousands of dollars into our classrooms. Our goal is to put \$15,000 back into the classrooms this year. You can help us by simply using a community giving grocery card every time you shop. Can you help us reach our goal?

It's easy....order a card from the Elizabeth Education Foundation and **reuse** it every time you shop. There's no need to purchase a new card each time, simply **reload** and **recycle** your Elizabeth Education Foundation card. Every card comes loaded with a \$10 balance. 5% of every dollar added to the card **regenerates** our classrooms in the form of teacher grants. Grants are awarded each December. Please see our website, [www.elizabethef.org](http://www.elizabethef.org) for a list of our grant awards.
